GUIDELINES FOR APPLICANTS

1. NOTICE

This paper presents an Open Call for Proposals in the area of Public Health.

Only fully completed researches are to be submitted for the assessment.

The call for proposals will remain open until 24th June, 2019.

2. ELIGIBILITY CRITERIA

The event will be open health-related research

3. SECTOR SCOPE

Open to submission from the public health sector. Submissions targeting other areas of public health such as chronic diseases will not be considered.

4. ELIGIBILITY

To submit an abstract the following criteria must be met:

- ✓ **All** researchers are welcome to submit an abstract, including participants from other Regional Health Authorities and tertiary institutions.
- ✓ The research or paper preparation must have been performed substantially within the past 3 years.
- ✓ Submit abstracts to rec.pho@ncrha.co.tt

5. INSTRUCTIONS TO AUTHORS

- i. The applicant does not have to be the primary author but should have enough involvement in the project to present it effectively and defend the presentation.
- ii. There is no limit to the number of abstracts that an author's name may appear on.
- iii. Abstract text word limit : 500 words, Font: Times New Roman Size 12
- iv. Abstracts should be structured to include the following:
 - ✓ **Abstract Title:** The abstract should have a short, specific title that indicates the nature of the investigation. Title should be in boldface font.
 - ✓ **Author Name(s):** The name of the primary/presenting author should be underlined.
 - ✓ **Background:** Covers key issues addressed, objective and hypothesis.
 - ✓ **Methods:** Identify the research design, sampling strategy, measures and specific procedures employed including statistical tests.
 - ✓ **Results:** Include major findings including measures of significance.
 - ✓ **Conclusion:** Provide implications and limitations of findings, innovations to the field.

6. SELECTION

Abstracts will be selected for 10-minute oral presentations and others for poster presentations. Prizes will be awarded for the best oral and poster presentations.
